Felony False Pretense

On 05-15-2023, TPD was notified by a complainant that her son had received fictitious checks in his checking account. The complainant reported that they received messages through social media from Kamron Anderson (19 year old, Male, Tupelo, MS) asking for his bank information. Once that happened, multiple checks from out of state were deposited into the complainants account.

After the report was filed, Detectives were able to identify the suspect. Anderson was arrested on a warrant for False Pretense.

On 06-12-2023 Tupelo Municipal Court Judge Sumner gave Anderson \$2,500.00 bond. These charges will be presented to the Lee County Grand Jury.
