## **The Tupelo Police Department Citizen's Police Advisory Board is committed to:**

- Acting as an advisory between the community and the police department to help promote community awareness, understanding and involvement of police programs and services.
- Provide an avenue to identify problems and address opportunities for improvement from the community to the police department.
- Advocate quality in law enforcement by promoting education and training of all police department personnel and volunteers.
- Help develop partnerships between the community and the Tupelo Police Department in an effort to identify opportunities for improvement.
- Assist the police department with strategic planning and goals and recommend strategies for the future.
- The board shall provide the Tupelo City Council with an annual report of its activities and presentations.
- The board shall adopt such rules of procedure as it deems necessary, which will be reviewed by the chief of police and the city attorney. All rules must be approved by the city council.
